ZAKOPANE 2022

Dear IDO Members,
Colleagues, Presidents of National Organizations

Many times the pandemic did not allow us to meet at the competitions we are used to, today we are returning to life and dance normality.

For the first time on 30.05 - 02.07, Poland will be the organizer of the European IDO Show Dance, World Cup Production Championships and promotional competition - European Cup of PAI - Performing Art Improvisation.

They will take place in the beautiful city of Zakopane - a town located at the foot of the Tatra Mountains.

We invite you warmly, we provide not only professional preparation of the competition, which we have got used to over the last 20 years.

We also provide a unique mountain atmosphere, excellent highlander food and breathtaking views.

At the Nosalowy Dwór **** Hotel, we have still 95 rooms available, to book them, please contact Beata Orange, beata.orange@danceweek.pl mobile: +48 608452256

In matters of possible transport from the airport in Krakow, please contact me.

See you in Zakopane,
